- 1) WE WILL HAVE A PRE-REGISTRATION CUT OFF OF AUGUST 11<sup>TH</sup>. This means that your registration needs to be in my hands by Monday, August 11<sup>th</sup>.
- 2) I need to **EMPHASIZE** that the Park has gone totally digital for the waivers. This means it is VITAL that you provide all contact/email information requested on the OCBR registration form. After the Pre-Registration cut off, I will submit a list to the Park of all pre-registers.  
You will then receive an email from them with a link to complete your waiver. This link will be tied to Your Email Address. (1 waiver per vehicle) If you have riders that are coming with you, you will need to forward the link to them so that they can also 'sign' the waiver, waivers are tied to the truck that is registered, so forwarding the link to your riders should tie them to your truck/waiver.
- 3) Everyone will have to stop at the Park Store (formerly known as the Office) to check in with the Park  
For any stickers/trailer tags that are needed and Waiver is verified.
- 4) The Park now has 2 Dump Stations!! (Thank you HSORVP!!)
- 5) If you are wanting a site that has sewer connections please check with the park – they have completed a few sites being connected.

Hours for the Park Store are listed below. Keep in mind that if you have booked a site with the Park that you need to follow their after hours check in procedure if you arrive after they have closed.

Wednesday Sept. 17 open til 6 pm

Thursday Sept. 18 open til 5 pm

Friday Sept. 19 open til 5 pm
